Certificate of Mailing: The undersigned hereby certifies that this document and its enclosures are being deposited with the United States Postal Service as first class mail, postage prepaid in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on this 11th day of May, 2004.

inventors Mr. Harrison and Mr. Weber that supports the addition of Mr. Bush and Mr. Weber as inventors.

The undersigned hereby declares that a diligent effort has been made to contact Mr. Emery J. Weber. This effort included the step of sending mail to Mr. Weber at his last known mailing address of 17618 Hoyt Place, Parker Colorado 80134 which mail was returned. A search from whitepages.com further shows that Mr. Weber no longer resides at the aforementioned address. Additional steps included an effort to contact Mr. Weber at his last known phone number of (303) 841-2674.

The undersigned declares that he was not able to obtain a forwarding mail address, phone number, or email address for Mr. Weber during the performance of these steps. Furthermore, the undersigned declares that a search on the Internet failed to provide any information concerning the present whereabouts of Mr. Weber. Therefore, despite the performance of these steps, as evidenced by the attached returned envelope and computer printouts, the undersigned declares that Mr. Weber cannot be found or reached to secure his signature on the accompanying Declaration or the statement under 37 CFR 1.48(a)(2).

The undersigned hereby declares that a diligent effort has been made to contact Mr. Clifford Harrison. This effort included the step of sending mail to Mr. Harrison at his last known mailing address of 240 Kearney Street, Denver Colorado 80220. No response was received and the mail was not returned. However, a search from whitepages.com shows that Mr. Harrison does not reside at the aforementioned address. Additional steps included an unsuccessful effort to contact Mr. Harrison at his last known phone number of (303) 333-5143. A search of phonenumbers.com illustrates

that this phone number no longer belongs to Mr. Harrison. An effort was also made to contact Mr. Harrison at his last known email address – "charrison@onebox.com." Again, this effort proved unsuccessful.

The undersigned declares that he was not able to obtain a forwarding mail address, phone number, or email address for Mr. Harrison during the performance of these steps. Furthermore, the undersigned declares that a search on the Internet failed to provide any information concerning the present whereabouts of Mr. Harrison. Therefore, despite the performance of these steps, as evidenced by the attached computer printouts, the undersigned declares that Mr. Harrison cannot be found or reached to secure his signature on the accompanying Declaration or the statement under 37 CFR 1.48(a)(2).

The signing of the Declaration by Mr. Bush with the signature block of the non-signing inventors left blank is to be treated as having been signed by Mr. Bush on behalf of Mr. Weber and Mr. Harrison.

The undersigned further declares that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001 and that such willful false statements may jeopardize the validity of the application, any patent issued thereon, and any patent to which this declaration is directed.

U.S. S/N 08/919,450

A check for the fees specified in 37 CFR 1.17(i) and 37 CFR 1.17(h) is enclosed.

The Commissioner is Authorized to charge any fee deficiency or credit overpayment to deposit account number 50-2428.

Shannon,

In reviewing our patent portfolio, there may be some inventorship discrepancies that need to be resolved. Do you have any information on former CSG employees Clifford Harrison and Emery J. Weber?

Thanks,
